

HAUNTED WINE TOUR AUDITION READING: WINERY EMPLOYEE

There you are. I was wondering where you all had gone. Shall we begin our haunted tour of the Bull Run Winery?

{The group looks confused, or maybe amused. The Employee's smile fades away.}

You guys just finished the tour, didn't you?

{People in the group nod.}

Not again. Could you describe who gave you this tour?

{The group does.}

That's impossible. The person you're describing died six years ago.
